

# Freelancer Marketplace

Dewang Patel (2024410), Parikshit Menon (2024401), Rigzin Gyalpo (2024458)

Tutorial Group : 2

Group No. : 22 (Project\_Group\_Regstration), 21 (TA assignment)

Assigned TA : Neeraj and Ayush Mishra

## Project Scope

The platform plans to build a database to manage information on freelancers, clients, projects, proposals, contracts, payments, and reviews. The system connects clients who need work done with freelancers who offer their services, managing the entire workflow from project posting to payment completion and review submission.
